Waiver of USC Faculty Status to Serve as Advisor for Research Proposal

Individuals who do not hold USC faculty status must be approved to act as a Faculty Advisor on a student research project that involves human subjects. A completed version of this form must be included in the iStar submission application.

USC Department/Program:

Name of Candidate Requesting to Serve as Faculty Advisor:

Title of Candidate:

Degree:

Effective Date of Appointment:

Provide a brief explanation in support of your request that this candidate serve as Faculty Advisor (attach candidates curriculum vitae)

Approvals

Note: By signing below the Department Chair/Director or Assistant Dean confirms that:

1) The proposed candidate for faculty advisor status is qualified to oversee the proposed research.
2) The candidate's term of appointment extends for long enough to allow the student to complete this project.
3) The candidate either (i) has completed or (ii) will complete the requisite Human Subject Protection training before the student begins his or her research involving human subjects.
4) The candidate is qualified to act as “faculty advisor” and to provide mentorship to the student.
